It looks like the long game for fugitive former congressman Zaldy Co finally hit a wall in Prague. President Bongbong Marcos confirmed tonight that the congressman is now in the custody of Czech authorities.

He was intercepted after crossing into the Czech Republic without proper documentation. His Philippine passport had been canceled back in December 2025, and while he was reportedly moving through Europe using a Portuguese golden visa, the lack of valid travel papers for his entry into Czechia provided the legal opening for his detention.

According to the President, the Philippine government is already in close coordination with Czech officials. Since there is no automatic extradition for immigration violations, the DFA and the DOJ are working to fast-track his return to the Philippines.

Because Zaldy Co was a central figure in the multibillion-peso flood control scandal, the government is keen to bring him back to face plunder and graft charges filed by the Sandiganbayan.

And with his capture, expect renewed pressure on the ₱4.7 billion in assets, including luxury aircraft, previously frozen by the AMLC.

Zaldy Co's return is a massive development for the ongoing investigation into the 2025 flood control anomalies. There are already whispers that his testimony could be a smoking gun in other high-profile corruption cases.

Essentially, the "catch me if you can" phase is over. The next few days or weeks will likely involve a lot of diplomatic paperwork to get him on a flight back to Manila. Papunta na tayo s[illegible]

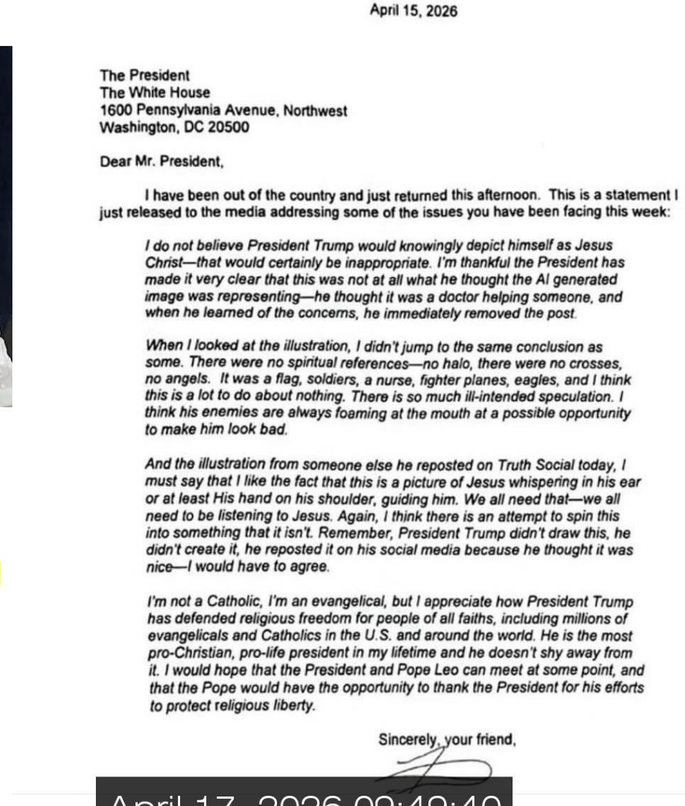
Trump just posted a letter from Franklin Graham saying he doesn't believe Trump would knowingly share an image depicting himself as Jesus, claiming Trump thought it was a doctor helping someone and that critics are just trying to make him look bad.



FRANKLIN GRAHAM

April 15, 2026

The President
The White House
1600 Pennsylvania Avenue, Northwest
Washington, DC 20500

Dear Mr. President,

I have been out of the country and just returned this afternoon. This is a statement I just released to the media addressing some of the issues you have been facing this week:

I do not believe President Trump would knowingly depict himself as Jesus Christ—that would certainly be inappropriate. I'm thankful the President has made it very clear that this was not at all what he thought the AI generated image was representing—he thought it was a doctor helping someone, and when he learned of the concerns, he immediately removed the post.

When I looked at the illustration, I didn't jump to the same conclusion as some. There were no spiritual references—no halo, there were no crosses, no angels. It was a flag, soldiers, a nurse, fighter planes, eagles, and I think this is a lot to do about nothing. There is so much ill-intended speculation. I think his enemies are always foaming at the mouth at a possible opportunity to make him look bad.

And the illustration from someone else he reposted on Truth Social today, I must say that I like the fact that this is a picture of Jesus whispering in his ear or at least His hand on his shoulder, guiding him. We all need that—we all need to be listening to Jesus. Again, I think there is an attempt to spin this into something that it isn't. Remember, President Trump didn't draw this, he didn't create it, he reposted it on his social media because he thought it was nice—I would have to agree.

I'm not a Catholic, I'm an evangelical, but I appreciate how President Trump has defended religious freedom for people of all faiths, including millions of evangelicals and Catholics in the U.S. and around the world. He is the most pro-Christian, pro-life president in my lifetime and he doesn't shy away from it. I would hope that the President and Pope Leo can meet at some point, and that the Pope would have the opportunity to thank the President for his efforts to protect religious liberty.

Sincerely, your friend,

Dr. Janette Loreto-Garin

Doc Nanay's recent post referring to a screenshot of a Bombo Radyo report as "fake news" was not intended to discredit or malign the station. She has previously worked with Bombo Radyo in delivering public health programs and recognizes its credibility and longstanding commitment to public service.

The post was issued in response to circulating screenshots claiming ₱1.7 billion worth of incomplete DPWH projects.

These materials appear to have caused public confusion. The figures cited were reportedly drawn from the DPWH Transparency Portal, which may not yet reflect the latest district and regional data used in official briefings provided to Doc Nanay in the performance of her oversight functions. The timing of the circulation also coincided with the recent visit of Secretary Vince Dizon to Iloilo City—not Iloilo's 1st District—where concerns were raised over delays in the implementation of key infrastructure projects.

It is also worth noting that Bombo Radyo reportedly sought clarification from the relevant DPWH District and Regional Offices but did not receive an immediate response, which may have further contributed to the misunderstanding.

In this light, we respectfully call on the DPWH to continue strengthening and regularly updating its Transparency Portal to ensure that both media partners and the public have access to accurate, timely, and contextualized information. A well-informed media sector remains essential to transparent and accountable governance.

Emman's room in our house is the same. Her things are still there. 'Yung whiteboard niya, her notes are still there. In her bathroom, her toiletries are still there. Her makeup is still there. I have two choices: do I enter the room? Or I avoid it? If I avoid the room, I will never enter the room. What do I do? All my shoes are in Emman's room.

Every single morning, I enter her room, and my bible is beside her bed. I sit by her bed, read my passages, and I grieve openly. What happens is gusto kong umiyak, kasi kung umiyak na ako ngayon, hindi na ako iiyak [mamaya]. Nailabas ko na eh."

PROPHECY 3500 YEARS AGO:
Moses' Tabernacle Reveals the Levels of Glory in the New Heaven and New Earth
1. Most Holy Place — Inner Holy City
Access: High Priest / Sons of Zadok (Ezek 44:15-16)
Life: Faith 4.0 — Hundredfold Fruit (Matt 13:23)
End: 144,000, Reigning with Christ (Rev 20:4, Rev 14:1)
Attribute: Good and Faithful Servant (Matt 25:21)
2. Holy Place — Surrounding Holy City
Access: General Priests (Primary Service Area) (Exod 28:43)
Life: Faith 3.5 —— Sixty/Thirtyfold Fruit (Mark 4:20)
End: Stationed Nearby, Managing Five Cities (Luke 19:19)
Attribute: Faithful in Little Things Administrator
3. Inner Court — Outside Holy City
Access: Levites (Secondary Service Area) (Num 3:6-7)
Life: Faith 3.0 —— Thorny Ground (Matt 13:22)
End: Stationed Far Off, Forfeited Reward
Attribute: Wicked and Lazy Servant (Matt 25:26), Work Burned (1 Cor 3:15)
4. Outer Court — Far from Holy City
Access: Common People / Pious Commoners (Ezek 46:21)
Life: Faith 2.0 —— Rocky Ground (Luke 8:13)
End: Can Only Longingly Gaze Upon the Holy City from Afar, Cannot Approach
Attribute: Weeping and Gnashing Teeth Outside (Matt 25:30), the 'Dogs' Outside (Rev 22:15)
Deep Revelatory Analysis: Revelation 22:15 mentions "Dogs" which does not refer to unbelievers, but rather "Saved but Unclean" spiritual babes (nominal disciples & false messenger prophets).

🚨 BREAKING 🇺🇸🇻🇦

The brother of Pope Leo XIV had his home searched by police after receiving bomb threats yesterday.

The incident comes amid a week of escalating tensions, including sharp criticism from Donald Trump and JD Vance — with Vance even warning that the Pope "should be careful" when speaking on theology.

A deeply concerning development as rhetoric and real-world threats appear to collide.

Alcántara Bridge, a Roman arch bridge in Spain

A **bridge** is a structure designed to span an obstacle, such as a river or valley, allowing vehicles, pedestrians, and other loads to pass across. Simple bridge structures include beam bridges made from logs, and suspension bridges made of ropes or vines. The Romans and ancient Chinese built major arch bridges *(example pictured)* of timber, stone, and brick. The longest spans use suspension or cable-stayed designs. Bridge design is an important discipline within the field of civil engineering. A bridge must be strong enough to support its own weight as well as the weight of the traffic passing over it. It must also tolerate violent, unpredictable stresses imposed by the environment, including winds, floods, and earthquakes. Many bridges are admired for their beauty, and some spectacular bridges serve as iconic landmarks that provide a sense of pride and identity for the local community. In art and literature, bridges are frequently used as metaphors to represent connection or transition. ***(Full article...)***

EXECUTIVE ORDER NO. 114

TEMPORARILY SUSPENDING THE EXCISE TAXES ON SPECIFIC PETROLEUM PRODUCTS PURSUANT TO SECTION 148 OF REPUBLIC ACT NO. 8424, OR THE NATIONAL INTERNAL REVENUE CODE OF 1997, AS AMENDED

WHEREAS, Section 148 of Republic Act (RA) No. 8424 or the "National Internal Revenue Code of 1997," (NIRC) as amended, imposes excise taxes on refined and manufactured mineral oils and motor fuels;

WHEREAS, Section 1 of RA No. 12316, further amending Section 148 of the NIRC, as amended, authorizes the President, upon recommendation of the Development Budget Coordination Committee (DBCC), in coordination with the Department of Energy (DOE), to temporarily suspend or reduce the excise tax on petroleum products when the average Dubai crude oil price based on the Mean of Platts Singapore (MOPS) reaches or exceeds Eighty United States Dollars (USD80) per barrel for the one (1) month period immediately preceding the issuance of an order;

WHEREAS, on 10 April 2026, the DOE certified that the average Dubai crude oil price based on MOPS covering the last thirty (30) calendar days has reached USD93.71 per barrel; and

WHEREAS, the DBCC, through Resolution No. 2026-3, recommended the full suspension of excise taxes on Liquefied Petroleum Gas (LPG), except when used as raw material for production of petrochemical products or used for motive power, and kerosene, except when used as aviation fuel, for a period of three (3) months, subject to review on a monthly basis;

NOW, THEREFORE, I, FERDINAND R. MARCOS JR., President of the Philippines, by virtue of the powers vested in me by law and the Constitution, do hereby order:

Section 1. Temporary Suspension of Excise Taxes on Specific Petroleum Products. The excise taxes on LPG, except when used as raw material for production of petrochemical products or used for motive power, and kerosene, except when used as aviation fuel, are hereby fully suspended for a period of three (3) months from effectivity of this Order.

Section 2. Review During the Temporary Suspension. The suspension shall be subject to monthly review by the DBCC, which shall recommend to the President the continuation, modification, extension, or termination thereof.

THE PRESIDENT OF THE PHILIPPINES

Section 3. Automatic Reversion of Rates. This excise tax rates on petroleum products shall automatically revert to the rates prescribed under Section 148 of the NIRC, as amended, without need of further issuance, upon the occurrence of any of the following, whichever comes first:

i. One (1) week after the one (1)-month average Dubai crude oil price based on MOPS falls below USD80 per barrel, as certified by the DOE; or
ii. Upon expiration of the duration provided under Section 2 hereof.

Section 4. Monitoring and Inventory Requirement. The DOE and the Department of Finance (DOF), through the Bureau of Internal Revenue (BIR) and the Bureau of Customs (BOC), are directed to conduct an inventory of existing stocks of LPG and kerosene as of the effectivity of this Order.

The BIR and the BOC shall likewise submit to Congress monthly information on the declared value and volume of petroleum products covered by this Order.

Section 5. Submission of Data. The DOE is hereby directed, consistent with its mandate and in accordance with RA No. 12316 and other applicable laws, to require oil companies to submit, on a monthly basis, information on the cost components of petroleum products covered by this Order during the period of suspension of excise taxes thereon. oliviarodrigo drop dead is out now!!!! I love this song so much!!! it's the first chapter in the story of 'you seem pretty sad for a girl so in love' and it makes me wanna skip around and roll the windows down and make out! I was lucky enough to film the music video at the palace of Versailles a few months ago with the wonderful @petrafcollins and I'm so stoked with how it turned out. I hope you guys love it as much as I do xoxoxoxo ████

Inspectors see no walls, no structures – just rust and weeds at site of P92.8-M Revilla project

The Global Filipino Magazine
Yesterday at 11:40 AM ·

A court-led inspection at the supposed site of a P92.8-million flood control project in Pandi, Bulacan found no structures — only rusting sheet piles beneath overgrowth.

The ocular visit, led by a Sandiganbayan justice, was conducted as part of the bail hearings of former senator Bong Revilla Jr. and seven co-accused former DPWH officials facing graft and malversation charges.

SUPPORT BETWEEN FAITHS... more
I stand with my brother in Christ, His Holiness Pope Leo XIV, in his courageous call for a kingdom of peace.
As innocent people are killed and displaced, families torn apart, and futures destroyed, the human cost of war is incalculable. It is the calling of every Christian – and of all people of faith and goodwill – to work and pray for peace. We must also urge all those entrusted with political authority to pursue every possible peaceful and just means of resolving conflict.

USEC CASTRO CLARIFIES CYBER LIBEL, DAMAGES VS FAKE NEWS SPREADERS
Undersecretary Claire Castro said in a press briefing in Iloilo City that individuals spreading fake news—including Jinky Avelino Miraflores Carpio, also known as “Iloy Bugris"— may face possible charges such as damages and cyber libel.
She clarified, however, that the warning is not limited to one person but applies to all individuals found disseminating false information online.
Castro emphasized the government’s reminder for the public to be responsible in sharing content on social media.
"Hindi na nila kailangan ng warning dahil alam nila ang kanilang ginagawa," Castro said in a press briefing. #IMTNEWS

With the arrest of Zaldy Co, the Philippine government should waste no time in fast-tracking his deportation. Dapat harapin na nya ang mga kaso laban sa kanya, panumpaan nya sa tamang forum yung mga alegasyon nya, at isiwalat sa mga imbestigasyon ang lahat-lahat ng mga nalalaman nya maging mga ebidensyang meron sya ukol sa maanomalyang flood control projects.
Pagsabay-sabayin natin ang imbestigasyon sa mga alegasyon na kinasasangkutan nya. Dahil tulad sa impeachment, hindi dapat itengga ang paghahanap ng katotohanan hanggang

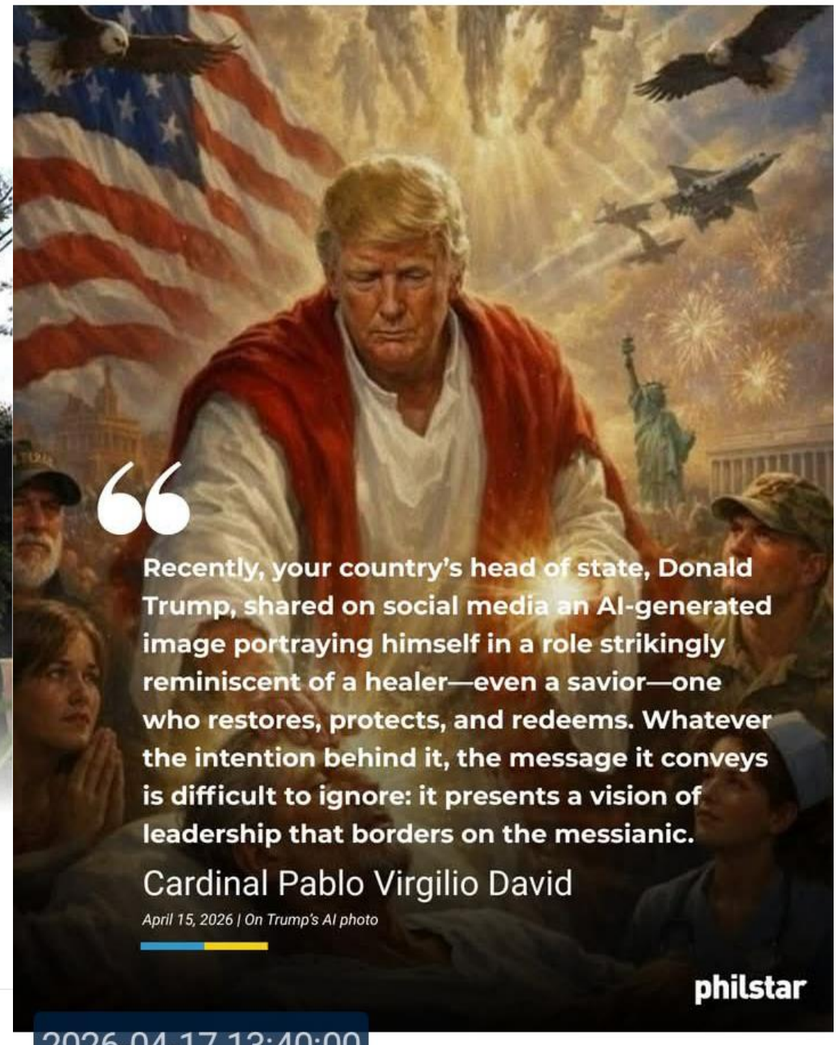
BISHOP RAISES ALARM ON RELIGIOUS-LIKE LEADERSHIP CLAIMS... more



Recently, your country's head of state, Donald Trump, shared on social media an AI-generated image portraying himself in a role strikingly reminiscent of a healer—even a savior—one who restores, protects, and redeems. Whatever the intention behind it, the message it conveys is difficult to ignore: it presents a vision of leadership that borders on the messianic.

I was also a victim of fabricated charges under Section 26, in relation to Section 8 of R.A. 9165. The information was amended three times in almost a year. My name only appeared in the third amended information, suddenly tagged as part of a conspiracy to manufacture dangerous drugs. Out of sixteen accused: politicians, businessmen, and others, the DOJ panel of prosecutors cleared everyone. I was the only one indicted and jailed for conspiracy. I had surrendered voluntarily to the NBI. I was jailed for conspiring with no one except for several John Does: the alleged conspirators were all exonerated.
During the proceedings, the DOJ moved for a trial issue before the Supreme Court. Another year was lost before the case was transferred from the RTC of Manila to the RTC of Makati. Trial states were set
In jail, former government officials and known allies of then-President Duterte came to see me. They wanted me to testify against Senator Leila de Lima about the raids I led as Task Force Commander of the NBI Anti-Illegal Drugs Unit: raids inside the New Bilibid Prison Maximum Security Compound with PDEA, PNP, BuCor, members of the media, and then-Secretary De Lima against 19 high-value drug lords. They offered early freedom and a promotion if I would back the perjured witnesses. I looked them in the eye and said no. I would not send an innocent person to jail to buy my way out.

SMNI NEWS, IGIIT NA MOST TRUSTED MEDIA NG OFW SA JAPAN

Iginiit ng SMNI News na sila umano ang isa sa mga “most trusted media” ng mga Overseas Filipino Workers (OFWs) sa Japan, batay sa kanilang sariling datos at feedback mula sa mga Pilipinong naninirahan at nagtatrabaho sa nasabing bansa.

Ayon sa SMNI, patuloy nilang napapalawak ang kanilang audience sa international platforms kung saan aktibong sumusubaybay ang mga OFW sa kanilang mga balita, komentaryo, at programang may kinalaman sa mga isyung pambansa at pandaigdig.

Gayunpaman, wala pang inilalabas na independiyenteng pag-aaral o survey mula sa third-party organizations na magpapatunay sa naturang pahayag. Dahil dito, nananatiling usapin ng beripikasyon ang naturang claim.

Sa kabila nito, patuloy ang kompetisyon sa pagitan ng iba’t ibang media organizations sa pagkuha ng tiwala ng mga Pilipino sa ibang bansa, lalo na sa digital platforms kung saan

HINDI PWEDENG PATAHIMIKIN SI ZALDY CO!

Anuman ang isyu sa pagkakadakip kay Zaldy Co, isa lang ang malinaw: Dapat siyang protektahan ng ating pamahalaan!

Bakit? Dahil ang kanyang seguridad ay seguridad din ng KATOTOHANAN. Kapag siya ay "napatahimik," damay ang mga ebidensyang maglalantad sa malawakang korupsyon sa bansa.

Huwag nating hayaang mabaon sa limot ang ebidensya! Si Zaldy Co ang susi sa usapin ng malawakang korupsyon na dapat nating tutukan!

BASTE VS. MADRIAGA?

Ramil Madriaga, who introduced himself as Vice President Sara Duterte's alleged former bagman, said he accepts Baste Duterte's challenge for a fistfight.

"If you find your way here in Annex 2, Camp Bagong Diwa, I will accommodate your request and trade punches/ kicks/ elbows/ backhand/ roundhouse/ uppercut and headbutts, even," Madriaga said in a statement coursed through his legal counsel.

The exchange comes after Davao City Mayor Duterte earlier dared Madriaga to a no-holds-barred fight. "Kung gusto mo, suntukan na lang tayo, no holds barred. Kahit isama mo pa si Torre at si Bangag."

Madriaga mentioned Baste Duterte in his supplemental affidavit during the House Justice Committee hearing on the impeachment complaints against Vice President Sara Duterte last April 14, 2026.

Lithification, diagenesis
Pressure
Grains squeezed tightly together. May begin to dissolve where contacts are under high pressure. Solutions between grains precipitate minerals that cement grains together to form a rock.
Compaction
During compaction, water is squeezed out of loose sediment and grains may eventually all be in contact.
Cementation
During cementation, chemical cements are deposited from the pore water. They glue individual mineral grains together. Eventually all the water may be gone and the sediment may be entirely lithified.
Well-sorted sedimentary material (Alluvium of the South Platte River)
Poorly sorted sedimentary material (Dawson, Denver, Arapahoe aquifers)
Recrystallization
During recrystallization, small mineral grains may grow into each other and join to become larger crystals of the same mineral. In extreme cases, all the original material may become joined in a mosaic pattern.
Fractured crystalline rocks (Pikes Peak Granite)
Soluble rock-forming material (Leadville Limestone)

'I'M SO HONORED TO BE CHALLENGED BY A FORMER PRESIDENTIAL SON'

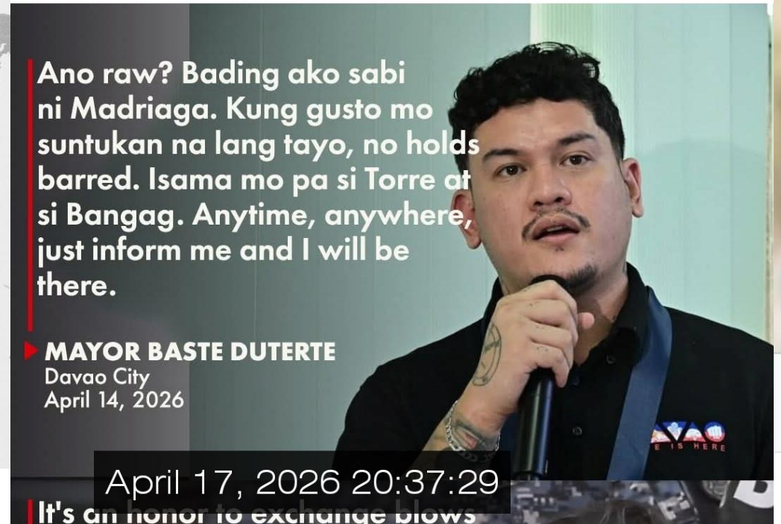
Ito ang sagot ng nagpakilalang bagman umano Vice Pres. Sara Duterte na si Ramil Madriaga tungkol sa hamong suntukan ni Davao City Mayor Baste Duterte.

"Sir, I am now deprived of my liberty. I am helpless and I am already 58 years old. Please try to challenge someone of your average and height," saad ni Madriaga sa isang liham.

Gayunpaman, tatanggapin niya raw ang hamon ng alkalde kung mae-exonerate siya kaugnay ng kasong kinahaharap niya sa kasalukuyan.

"By the way, it's your father who said that, not me. Since I sincerely a believer of your father, I believe him that you're indeed that what he said of you," hirit niya pa.

Matatandaang hinamon ni Baste si Madriaga noong April 14.



Ano raw? Bading ako sabi ni Madriaga. Kung gusto mo suntukan na lang tayo, no holds barred. Isama mo pa si Torre at si Bangag. Anytime, anywhere, just inform me and I will be there.

READ: Ramil Madriaga, a self-confessed “bagman” linked to Vice President Sara Duterte, has accepted a fistfight challenge from Davao City Mayor Sebastian Duterte.

In a letter, Madriaga said he is “honored” but noted he is detained and 58 years old. He added he would accept the challenge if cleared of his current charges.

Madriaga also suggested holding the fight at Camp Bagong Diwa, where he is detained.

The challenge stemmed from his affidavit tied to impeachment complaints against VP Sara. (📷: Atty. Raymund Palad) | via Lyza Aquino, ABS-CBN News

ACT OF CONSECRATION
TO THE SACRED HEART OF JESUS

My loving Jesus,
out of the grateful love I bear Thee,
and to make reparation for my unfaithfulness to grace,
I give Thee my heart,
and I consecrate myself wholly to Thee;
and with Thy help I purpose to sin no more.

Amen.

BUKAS NA ULIT ANG STRAIT OF HORMUZ

Ipinakita ng Marinetraffic website ang vessel traffic sa Strait of Hormuz matapos muling payagan ng Iran ang pagpasok ng mga commercial vessel kasunod ng ceasefire deal sa Lebanon.

Sa post ni Iranian Foreign Minister Abbas Araqchi sa X, sinabi niyang bukas ang strategic waterway para sa lahat ng commercial ships sa loob ng 10-day truce na brokered ng Amerika sa pagitan ng Israel at Hezbollah.

Kasunod ng anunsyo, bumagsak ng mahigit 10% ang presyo ng langis habang tumaas naman ang global stock markets. | via Reuters

NAPAIYAK SA HARAP NI VP SARA?!

Mainit na sinalubong ng mga opisyal at mamamayan ng Tawi-Tawi si VP Inday Sara. Sa gitna ng programa, naging emosyonal si Vice Governor Al-Syed Sali habang ipinapaabot ang pasasalamat ng buong lalawigan para sa mga programa ng Office of the Vice President (OVP) na nakarating hanggang sa kanilang malalayong munisipalidad.

Sa kanyang mensahe, direkta niyang hinarap ang Bise Presidente at sinabing: 'Dapat kami ang tumutulong sa'yo sa mga pinagdadaanan mo, pero ikaw ang patuloy na tumutulong sa amin.' Ang pahayag na ito ay umani ng palakpakan at naging simbolo ng solidong suporta ng Bangsamoro sa gitna ng mainit na usaping politikal sa bansa.

Ibalik at arestuhin si Zaldy Co, tugisin si Chiz, Jinggoy at Joel

Pahayag ng #TindigPilipinas

Natutuwa kami sa balita na nahuli na sa wakas si Zaldy Co sa Europe. Ayon sa mga unang pagsisiyasat siya ang susi sa pinakahuling kabanata ng pangungurakot sa kaban ng bayan sa ilalim ng latest na Presidente.

Sawang sawa na kami. Bawa't administrasyon na lang! Kailan pa kaya tayo magkakaroon ng mga lider na hindi mga hepe sa pagnanakaw?
Kahit anong laban ng mamamayan para sa hustisya, balato lang palagi ang ating napapala.

Pero ok na rin ang balato. Baka naman may matuto.

Ibalik kaagad si Zaldy Co at ideretso sa kulungan habang tuluyan siyang iniimbestigahan.

At sa mga Senador na hindi pa pumipirma sa komite report dahil printoprotektahan ang mga kasamahan ninyong Escudero, Villanueva at Estrada---ano ba naman kayo?

Protect Zaldy Co ka pa DIPERENSYA!! — with **Sam D Adventurous** and **3 others**.

Anuman ang isyu sa pagkakadakip kay Zaldy Co, isa lang ang malinaw: Dapat siyang protektahan ng ating pamahalaan!

Bakit? Dahil ang kanyang seguridad ay seguridad din ng KATOTOHANAN. Kapag siya ay "napatahimik," damay ang mga ebidensyang maglalantad sa malawakang korupsyon sa bansa.

Huwag nating hayaang mabaon sa limot ang ebidensya! Si Zaldy Co ang susi sa usapin ng malawakang korupsyon na dapat nating tutukan!

Aray ko! 😂

Ang sakit naman magsalita ni Senator Ping kay Atty. Sal Panelo. Pero may point naman si Sen. Ping.

It's the evidence naman talaga that all Senators should and will follow. And Ping Lacson has not shown any sign that he has PREJUDGED the case.

Unlike Tsinator Imee Marcos who said Madriaga is a liar. She has prejudged the case and she should actually inhibit as a Senator-Judge.

Follow the evidence and if it leads to impeaching Sara Duterte, then so be it.

Let justice be done though the heavens may fall! 👊

#ImpeachSaraDuterte

It's the evidence stupid! Yesterday, on Storycon, my tolerance level for idiocy hit a new low when asked to react to one low hanging, ambulance chasing 'lizard' who tagged me as one of four "pusakal" senators who he claimed will surely convict VP Sara in an impeachment trial.

'STAY SAFE, ZALDY CO'

Tinawag na "fake news" ni dating presidential spokesman Harry Roque ang pahayag ni Pres. Bongbong Marcos na naaresto si Zaldy Co sa Prague, Czech Republic.

Sa isang video message, iginiit ni Roque na bagama't nasa Europe si Co at may Philippine passport, hindi umano Philippine government ang nagpaaresto rito.

Nanawagan din siya kay Co na mag-ingat dahil siya lang daw ang magiging susi para mapanagot ang pangulo sa umano'y pagkakasangkot nito sa korupsyon.
